

Report from the Social Commission to the BOD 20210510

The Social Committee greatly appreciates the donations from Vince DiFrucchio of 264 paper plates, 126 bowls, a folding table and a shelving unit.

The Committee greatly thanks Elisa Pinzon-Umaña for the magnificent job she has done in teaching 3 classes in Beginning Spanish as part of our Match-Ups Program. The classes concluded last Saturday with a commencement, diplomas and even a yearbook! Congratulations to Elisa and her students for working so hard to make this project such a huge success.

The year 2021 will mark the second year, due to the pandemic, that we will not put on our Annual 4th of July Celebration. To mark this year, however, we will soon announce a project seeking volunteers from Owners, Residents, Management and Staff to record a reading of the Declaration of Independence which will then be available on ptcondo.com for all to view premiering on the 4th of July and available for about a week. Watch for information on volunteering to be a reading toward the beginning of June.

Our next meeting will be on Wednesday, June 2, 2021, 11:00 AM, via Zoom.

Please contact us with any comments or questions. For Zoom links and other news watch our bulletin boards, Tim's *News & Updates*, ptcondo.com, join our Facebook group and/or our mailing list, ptcasocial@rcn.com .

Respectfully submitted,
Sheldon Atovsky, Chair
