

## Report from the Social Commission to the BOD 20210809

The Social Committee will meet this Wednesday, August 11, 2021, at 11:00 AM, in person, in the Party Room. We will work on plans for the autumn and winter. Those attending who are not vaccinated are expected to wear masks. Those that are vaccinated, are, of course, welcome to wear masks, as well.

Current plans, subject to the pandemic, include hosting a TGIF reception on September 10<sup>th</sup> with masking, distancing, and serving of food and drink with gloved volunteers.

Preliminary discussions will continue at the upcoming meeting about a 50<sup>th</sup> anniversary celebration, in 2023, of the construction of Park Tower.
