

Home Improvement Meeting Notes
January 20, 2025

Present: Kent Brave, Betty Terry-Lundy, and Michael Parrie (board liaison)

Agenda

1. Project updates
 - a. Elevator stuff to arrive January or February
 - b. Assume this is on target? Please respond on status
 - c. Just to clarify, Michael confirmed the elevator remodel project in 4 to 5 years is strictly mechanical, not the decorative process we are doing right now
2. Plantings
 - a. We hope April 15 to be the goal for spring plantings arrival and installation
 - b. Kent will talk to Tim about landscape lighting for 1st floor, all three planters
3. Painting on 1P and 2P
 - a. Looks very good
 - b. Some small items to address:
 - i. add the 1P and 2P signage opposite the elevators (perhaps this is part of the sign order from the Alphabet Shop, or use painting stencils like has been done in the past)
 - ii. remove the service elevator light sign that is obsolete (use a blank wall plate like has been done on the residential floor service areas)

Next Meeting: Monday, February 17, 2025 at 6 pm in the party room
