### INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of Park Tower Condominium Association Chicago, Illinois

#### Opinion

We have audited the accompanying financial statements of Park Tower Condominium Association, which comprise the balance sheets as of February 29, 2024, and the related statements of revenues, expenses, and changes in fund balances and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Park Tower Condominium Association as of February 29, 2024, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

#### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Park Tower Condominium Association and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### **Report on Summarized Comparative Information**

We have previously audited the Park Tower Condominium Association's 2023 financial statements, and our report dated September 17, 2023 expressed an unmodified opinion on those financial statements. In our opinion, the summarized comparative information presented herein as of and for the year ended February 28, 2023, is consistent, in all material respects, with the audited financial statements from which it has been derived.

#### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Park Tower Condominium Association's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

#### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Park Tower Condominium Association's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

• Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Park Tower Condominium Association's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

#### **Report on Supplementary Information**

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The schedules of operating revenue and expenses – budget and actual, on pages 17-21, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of the Association's management. The information has not been subjected to the auditing procedures applied in the audits of the financial statements, and accordingly, we do not express an opinion or provide any assurance on it.

#### **Disclaimer of Opinion on Required Supplementary Information**

Accounting principles generally accepted in the United States of America require that supplementary information on future major repairs and replacements on pages 22-26, be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Financial Accounting Standards Board, which considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

#### Notes to Financial Statements

#### Note 1 - Nature of activities

The Park Tower Condominium Association was incorporated on April 3, 1979 and is a not-forprofit corporation, organized under the laws of the State of Illinois as provided in the Illinois Condominium Property Act. Its operation is subject to the terms and conditions of the bylaws and Declaration of Condominium Ownership. The Association serves as a means through which unit owners collectively administer, manage, operate and control the condominium property. The property consists of 725 residential units and 16 commercial units and a parking garage, under the condominium form of use and ownership.

#### Note 2 - Summary of significant accounting policies

#### Basis of accounting

The financial statements reflect the assets, liabilities, revenue and expenses of the Association on the accrual basis of accounting. These financial statements segregate funds as either operating or reserve. The operating fund is used to account for financial resources available for the general operations of the Association. The reserve fund is used to accumulate financial resources designated for future major repairs and replacement.

#### Cash and cash equivalents

For the purposes of reporting cash flows, the Association defined cash equivalents as those highly liquid investments purchased with an original maturity of three months or less.

#### Member assessments

Association members are subject to monthly assessments to provide funds for the Association's operating expenses, future capital acquisitions, and major repairs and replacements. Assessments receivable at the balance sheet date represent amounts due from unit owners. The Association's policy is to retain legal counsel and place liens on the properties of homeowners whose assessments are significantly delinquent. Any excess operating assessments at year end are retained by the Association for use in future years, as allowed by the condominium declaration governing document.

#### Notes to Financial Statements

#### Note 2 - Summary of significant accounting policies, cont'd

#### Property and equipment

Real property, common areas and related improvements to such property are not recorded in the Association's financial statements. Those properties are owned by the individual unit owners in common and not by the Association. However, the Association has the responsibility to preserve and maintain the common property. Assets acquired by the Association, including the engineer's unit and commercial property, are recorded at cost and depreciated over the estimated useful lives (7 years to 39 years) using the straight-line method. Depreciation expense was \$31,919 and \$27,516 for the years ended February 29, 2024 and 2023, respectively.

#### Maintenance, repairs and improvements

Consistent with the nature of the organization, normal operating expenses incurred for repairs and improvements to the common elements are included in operating fund. Major repairs and replacements resulting from actions of the Board of Directors are included in expenses of the reserve fund.

#### Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

#### Date of management's review

In preparing the financial statements, the Association has evaluated events and transactions for potential recognition or disclosure through September 9, 2024, the date that the financial statements were available to be issued.

#### Notes to Financial Statements

#### Note 2 - Summary of significant accounting policies, cont'd

#### Revenue recognition

Accounting principles generally accepted in the United States of America ("U.S. GAAP") prescribe rules regarding the recognition, measurement, presentation and disclosure of revenue and related contract acquisition and fulfillment costs. It is the position of the Association, that amounts assessed from unit owners in accordance with the annual budget constitute transactions between the Association and the Association's members in their capacity as unit owners of the Association and not in the capacity of a customer of the Association. Under the terms of the Association's declaration of condominium ownership, the Association's membership is exclusive to and mandatory for all unit owners. The unit owners have unlimited responsibility to provide funds to the Association and collectively bear all the risks and are entitled to all the benefits of the Association.

Assessments from unit owners made for the purpose of funding the current year's operating budget are allocated as increases in the Association's operating fund and assessments from unit owners made to accumulate funds for the purpose of repairing and replacing the property's common elements are allocated as increases in the Association's reserve fund. Neither of these types of assessments represents revenue from contracts with customers and, thus, such membership assessments are not covered by the rules cited in the previous paragraph.

#### Note 3 - Income taxes

Condominium associations may elect to be taxed as regular corporations or as homeowners' associations. The Association elected to be taxed as a regular corporation, under Internal Revenue Code Section 277, for the years ended February 29, 2024 and 2023. Under that election, membership income is exempt from taxation if certain elections are made, and the Association is generally taxed only on its non-membership income, net of related expenses, at regular federal and state corporate rates. An analysis of non-membership income indicates there was no income tax due for the years ended February 29, 2024 and 2023. The Association has federal and state net operating loss carry forwards, amounting to approximately \$883,000, and \$543,000, respectively, expiring in various years through 2043, to offset against future federal and state taxable income. No deferred tax assets, relating to the net operating losses, are recorded in the financial statements as the Association believes that it is not probable that all net operating losses carried forward will be utilized.

#### Notes to Financial Statements

#### Note 3 - Income taxes, cont'd

The Association adopted the accounting for uncertainty in income tax guidance, which clarifies the accounting and recognition for tax positions taken on its income tax returns. In evaluating the Association's tax provisions and accruals, the Association believes that its estimates are appropriate and the Association has no material unrecognized income tax positions. The Association's tax filings are subject to audit by various taxing authorities. At February 29, 2024, the Association is no longer subject to examination by federal and state taxing authorities for the years ending before 2021.

#### Note 4 - Future major repairs and replacements

The Association's governing documents require funds to be accumulated for future major repairs and replacements. These funds are held in separate bank accounts and are generally not available for operating purposes. It is the Association's policy to allocate interest earned on such funds to the reserve fund. The reserve fund balance was \$4,332,327 and \$4,191,798 at February 29, 2024 and 2023, respectively.

The Association engaged an independent engineer who conducted a study in July 2022 to estimate the remaining useful lives and the replacement costs of the common property components. The Association is funding for such major repairs and replacements over the estimated useful lives of the components, considering amounts previously accumulated in the replacement fund. Actual expenses, however, may vary from the estimated amounts and the variations may be material. Therefore, amounts accumulated in the replacement fund may not be adequate to meet future needs. If additional funds are needed, the Association has the right to increase regular assessments, to levy special assessments, to borrow funds, or it may delay major repairs and replacements until funds are available.

#### Note 5 – Lease agreements

The Association entered into various lease agreements throughout the years with different lease terms, renewal terms and rent payments. For the year ended February 29, 2024, the Association recorded laundry room income of \$105,911, antenna fees income of \$106,746 and commercial rent income of \$83,835.

#### Notes to Financial Statements

#### Note 6 - Major repairs and replacements

Major repairs and replacement expenses for the years ended February 29, 2024 and February 28, 2023 were as follows:

|                             | 2024        | 2023        |
|-----------------------------|-------------|-------------|
| Hallway Remodeling          | \$1,472,300 | \$ 64,890   |
| HVAC                        | 301,704     | 288,866     |
| Tuckpointing                | 113,185     |             |
| Plumbing                    | 110,365     | 17,015      |
| Security                    | 87,759      | 1,998       |
| Elevator repairs            | 39,620      |             |
| Electrical repairs          | 15,645      |             |
| Riser                       | (4,574)     | 474,712     |
| Miscellaneous major repairs |             | 191,320     |
| Roof                        |             | 126,088     |
| Building improvements       |             | 69,150      |
| Garage                      |             | 34,634      |
| Total                       | \$2,136,004 | \$1,268,673 |

#### Note 7 - Investments

The Association held investments in U.S. Government Securities totaling \$2,023,394 and \$1,496,573 at February 29, 2024 and 2023, respectively. The Association has the ability and intent to hold these investments to maturity and has classified these securities as held-to-maturity investments. These securities are purchased at either a premium or discount to the market at the time of purchase. U.S. Treasury Bills are recorded using the interest method, which interest is earned over the life of the security and is the difference between the face value and the purchase price. U.S. Treasury Notes are recorded at amortized cost which approximates fair value, and pay interest semi-annually.

#### Notes to Financial Statements

#### Note 8 – Fair value measurements

The Association measures certain financial assets and liabilities at fair value in accordance with the Fair Value Measurements and Disclosure topic of the FASB Accounting Standards Codification, which defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. This topic also establishes a fair value hierarchy, which prioritizes the inputs to valuation techniques used to measure fair value into three broad levels. The fair value hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). A financial instrument's categorization within fair value hierarchy is based upon the lowest level of input that is significant to the instrument's fair value measurement. The three levels within the fair value hierarchy are described as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Association has the ability to access.
- Level 2 Inputs to the valuation methodology include:

Quoted prices for similar assets or liabilities in active markets; Quoted prices for identical or similar assets or liabilities in inactive markets; Inputs other than quoted prices that are observable for the asset or liability:

Inputs other than quoted prices that are observable for the asset or liability; Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value.

#### Notes to Financial Statements

#### Note 8 - Fair value measurements, cont'd

U.S. Treasury debt securities: valued at the closing price reported on the active market on which the individual securities are traded.

The following table sets forth by level, within fair value hierarchy, the Association's assets at fair value as of February 28, 2024.

|                          | Assets at Fair Value as of February 28, 2024 |     |       |     |       |             |  |
|--------------------------|--|-----|-------|-----|-------|-------------|--|
|                          | Level 1                                      | Lev | rel 2 | Lev | vel 3 | Total       |  |
| U.S. Treasury securities | \$2,023,394                                  | \$  | -     | \$  | -     | \$2,023,394 |  |
| Total investment         | \$2,023,394                                  | \$  | _     | \$  |       | \$2,023,394 |  |

#### Note 9 - Pension plan

The Association participates in multiemployer pension plans through collective bargaining agreements to cover union employees. Multiemployer defined benefit plans have potential risks that differ from single-employer defined benefit plans. Some potential risks are the Association's contributions may be used to provide benefits to employees of other participating employers. The Association may become obligated for other participating employers' unfunded obligations and if the Association withdraws from a plan, the Association may be required to pay the plan a withdrawal liability which is based on the underfunded status of the plan.

The following summarizes the status of the multiemployer pension plans through which the Association participates as of the most current date available:

| Pension | EIN/Plan       | Pro  | nsion<br>tection<br>one Status | FP/RP Status<br>Pending/ | Association | ı Co | ntributions | Surcharge | Collective<br>Bargaining<br>Agreement |
|---------|----------------|------|--------------------------------|--------------------------|-------------|------|-------------|-----------|---------------------------------------|
| Fund    | Number         | 2024 | 2023                           | Implemented              | 2024        |      | 2023        | Imposed   | Exp. Date                             |
|         |                |      |                                |                          |             |      |             |           |                                       |
| А       | 51-6055057-001 | N/A  | Green                          | Not Applicable           | \$ 53,233   | \$   | 33,244      | No        | 11/30/2023                            |
| В       | 36-6102397-001 | N/A  | Green                          | Not Applicable           | \$ 17,919   | \$   | 8,052       | No        | 11/30/2022                            |
| С       | 36-6102397-001 | N/A  | Green                          | Not Applicable           | \$163,590   | \$   | 37,213      | Unknown   | 10/30/2024                            |

#### Notes to Financial Statements

#### Note 9 - Pension plan, cont'd

The red zone are plans that are less than 65% funded, the yellow zone are plans that are less than 80% funded and the green zone are plans that are at least 80% funded.

The SEIU Local No. 1 Health and Pension Fund (A) collects contributions for the janitors. The SEIU National Industrial Pension Fund (B) collects contributions for the door and receiving room staff. The Teamsters Local No. 727 Pension Fund (C) collects contributions for the garage staff. Contributions made by the Association for the above pension plans were less than 5% of the total plan contributions in 2024 and 2023.

#### Note 10 - Subsequent events

In February 2024, the Association entered into a contract with a vendor for \$293,316 to remodel some of its elevators.

In April 2024, the Association entered into multiple contracts with vendors for a total of \$474,014 applicable to the HVAC Riser Project.

In April 2024, the Association entered into a contract with a vendor for 166,200 to replace the  $2^{nd}$  Floor Deck Membrane.

In May 2024, the Association entered into a contract with a vendor for \$142,600 to replace custom coils.

# Supplementary Information on Future Major Repairs and Replacements (Unaudited)

An independent engineer conducted a study in July 2022, to estimate the current replacement costs and remaining useful lives of the Association's common area property components. The study's estimated future replacement costs are based on the July 2022 costs, plus an annual 3.5% inflation increase between the date of the study and date the component will require repair or replacement. The study's recommended funding plan considers the future replacement costs, over a thirty-year period, and estimates a 1.3% annual rate of return on funds invested for future major repairs and replacements. The Board of Directors has not designated the amount of current reserve funds accumulated for each component.

The following information is based on the July 2022 study and presents the estimated future replacement costs of the common area components and the estimated remaining useful lives of the components as of the date of the study. Certain improvements included below may have been completed since the study was conducted.

| Building Components & Systems  | Estimated<br>Remaining<br>Useful Lives<br>(Years) | Estimated<br>Future<br>Replacement<br>Cost |
